Allison, thanks for walking through the A&D log for me this morning.

Definitions:

1. "Old Co - Norcross" = Norcross FFL that was prior to the purchase and used in the interim period.
2. "New Co - Norcross" = Norcross FFL that we converted to when DBA went live.
3. "New Co - Lawrenceville" = Lawrenceville FFL for new location.

As for the serial numbers of firearms and silencers requiring transfer I offer the following 2 categories:

1. All non-core firearms and silencers from "Old Co - Norcross" to "New Co - Lawrenceville", these include research & development, sales samples, etc. that have been acquired since the purchase and that were part of the purchase list.
2. All non-core firearms and silencers from "New Co - Norcross" to "New Co - Lawrenceville", these include research & development, sales samples, etc. that have been acquired since the purchase.

The core silencers that we have in inventory as new and are available for sale should be dispositioned from their existing ffl bound book.

There will be remaining items that Kevin owns that Kevin will need to authorize from Old Co - Norcross to Kevin's personal. Since there are FULL AUTO firearms involved there it will have to be done as part of the Old Co - Norcross ffl out of business procedure.

Of course the required info for each category are the fields required on the Form 3. Please contact Johanna if you have questions on this and I can catch up later.

Thanks much!  
Roger
